

### **Welfare**

The information provided below is for parents/ guardians who have children on courses arranged through Oxfordshire Schools. Please contact the Centre on 01497 847272 if there is any further information you require.

### **Consent Form**

Parents are requested to complete the consent form sent to them by the school. This information is important and will be treated confidentially.

### **Surgery/Hospital**

The Centre is registered with a local surgery. Parents will be notified in the event of any medical treatment being necessary.

### **Medicines**

Prescribed medicines should be handed to the organising teacher who will ensure that they are administered in accordance with the prescription instructions.

### **Diet**

The Centre will make every effort to accommodate dietary requirements. These should be advised on the consent form.

### **Staffing**

The Woodlands staff are very experienced and between them hold a wide range of National Governing Body Awards and teaching qualifications. They are a dedicated team who will ensure the course is enjoyable, challenging and safe.

### **Equipment**

All equipment used meets with appropriate safety requirements and is regularly inspected. Participants will be issued with relevant protective clothing and safety equipment according to the activity followed.

### **Transport**

School to Centre transport is provided by Tappins Coaches and all coaches are fitted with seatbelts. Departure and return times will be issued by the school.

### **Bedding**

Please provide the following:  
Single duvet cover  
Single bottom sheet  
Pillow Case

### **Clothing**

Please have a look at our kit list to ensure your child has everything they require for the week.
